we not me

Introduction

This week we're at the end of our series on Family Values with "We Not Me". Living a we not me life means two things: the understanding that **no one is to walk this journey of faith alone** and that **each one of us has something to contribute and share, an area where we can serve others**. It's a belief that we are to form a community and serve others with our God-given gifts.

It is by giving ourselves away that we find true meaning and purpose in life. What gives your life meaning is when you contribute to a cause. Our cause is that we desire for others to feel, know, and see God through how we respond to God's Spirit working inside of us!

2 Corinthians 5:15 NLT

¹⁵ He died for everyone so that those who receive his new life will no longer live for themselves. Instead, they will live for Christ, who died and was raised for them.

Ephesians 4:16 NLT

¹⁶ He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.
